Dear Sir / Madame:

This letter is to serve as a recommendation for Megan O'Neill. Megan was a student of mine in Traditional European Cuisine in 2008 - 2009; her performance in the classroom is professional and efficient while she continuously displays passion for her work. Megan has also volunteered her time outside of class in assisting me with ethnic cuisine courses taught to the community. I believe that Megan will be an invaluable addition to any team and will rise to meet any challenge presented.

Ms O'Neill displays leadership and maturity through her actions. She is committed to quality and pays close attention to detail. I highly recommend Megan as a professional and consider her to be an outstanding culinarian.

Respectfully,

Robert M. Brener, MA CHE CCE CCC
