

To Whom It May Concern:

I have worked with Megan for the past four months as an intern chef at Frasers Restaurant in Perth, Australia. In this time Megan has primarily been in pastry section, responsible for desserts, function desserts, prep lists, ordering, specials, and the day to day running of pastry section at a high standard. Megan is very easy to work with and has been a pleasure to have in my kitchen, showing the willingness to learn and the flair so desperately needed in our industry. Breakfast, breakfast prep, cold larder and stock take are also areas Megan has helped us maintain in the day to day running of the restaurant. Megan is hard working, honest, and reliable and I would absolutely recommend Megan for a chef position. I believe she will become a fine addition to anyone's team.
