To Whom It May Concern:

Please accept this letter of recommendation for Megan O'Neill. I have known Megan for more than six months as a former student in my Soups, Stocks, and Sauces and Fundamentals of Foodservice Production classes.

During this time Megan has demonstrated an aptitude for many things related to the foodservice industry. In particular, she has a willingness to tackle tough assignments with vigor. She has a passion for learning, exemplified by her understanding of the production skills associated with my course. She is a student who demonstrates professionalism both in and out of the classroom at a quality that is sometimes difficult to find in today's students. Megan is raw talent that if with the right focus and drive can bloom into a top professional in the foodservice industry. To be candid, Megan is one of the gems we see in this industry. She is extremely focused and driven for success. If I were operating my own establishment, she would be a steal of a hire. I look forward to following her career and watching her successes.

If you have any questions, or would like further information about Megan, please feel free to contact me at (980) 598- 1476 or via email at [tmccall@jwu.edu](mailto:tmccall@jwu.edu).

Sincerely,
